## From the Principal

Dear parents and caregivers,

As usual it is all action at Nairne School!

The Preschool is gearing up for an “Assessment and rating cycle” as part of the “National Quality Framework” where the Education and Early Childhood Services Registration Board of South Australia will visit and assess the centre in relation to specific guidelines. We thank all the parents who have been offering assistance to help with all the jobs required for an “open inspection” of our wonderful facility. It has been a great opportunity for our Preschool teachers and SSOs to collaborate together to review all practices and programmes for the future benefit of all children.

Sports day is next Thursday and we invite the whole community to come and share in the fun, be active, cheer loudly and gobble up some cake from our infamous sports day cake stall!

After much consultation with students, staff and parents (Preschool-Year7) through our various Learning to Live Sustainably groups we have drawn up plans for development of nature play based playground developments both near the forest and in the JP playground areas. Have you seen our giant stump? A big thank you to Fleurieu Cranes for the professional service they supplied in lifting and placing an 11 tonne stump into such a confined area in our forest. Special thanks to Reception student Archie Schmidt for helping his dad, Ashley, and grandpa, Greg, with this tricky operation! Also thanks to our OSHC director Jill Bache who arranged for her son-in-law, Ben, and friend Mark from MJS for supplying the semi-trailer to transport the stump. We would also like to acknowledge the ongoing support from the DeRon family with the use of their diggers for lots of heavy work and to Bernie from Kanmantoo Quarry. This community support is paramount to the successful playground development and we appreciate everyone’s help both big and small!

We will now continue the improvements so keep an eye on these spaces!

**Order your NEW Entertainment® Book now!**

Support Nairne School fundraising and put $$$’s in your pocket

To order your Book or your Digital Membership securely on the Nairne School ordering page visit: [www.entbook.com.au/162a490](http://www.entbook.com.au/162a490)

The Entertainment™ Book is one of our favourite fundraisers at Nairne School (Preschool-7). Last year we raised $302. This year we want to do even better! We are raising money for improving technologies in the classroom and our goal is $1700. The Books sell for $65, and we keep $13 for every one we sell.

The Entertainment™ Book gives you access to thousands of up to 50% off and 2-for-1 offers for Adelaide’s best restaurants, cafés, attractions and theme parks. Plus it has best in market prices for over 1,500 hotels and resorts that you can use whenever you like until 1st June 2016.

And it’s not just the fun stuff... You can also get 5% off on your groceries and petrol all year with WISH eVouchers sent directly to your phone, and this year 10% off at David Jones!

The Entertainment™ Books are available as a Book (with a gold card and vouchers) or as a Digital Membership that puts all the offers on your smartphone to redeem at the touch of a button.

Pre-order yours today and you will receive $150 in Early Bird Offers that you can use straight away (a separate flyer will be sent home soon with additional details about delivery dates etc).

**Volunteering at Nairne School (Preschool - 7)**

All volunteers who provide ongoing assistance at education and care sites and settings must complete a Criminal History Screening Clearance through the Department for Communities and Social Inclusion (DECD form only). These forms are available from our front office for completion.

Volunteers must also be provided with the Responding to Abuse and Neglect – Education and Care (RAN-EC) induction session for volunteers.

Ongoing assistance by a volunteer can be either regular or irregular. This might mean:

- once a week
- once a fortnight
- every day for a term
- once a term
- whenever they can fit it in around other commitments

Volunteers who are engaged in the delivery of services to children at a site which includes direct responsibility for, or direct supervision of children are mandated notifiers. The RAN-EC induction outlines their child protection responsibilities.

We will be facilitating the Responding to Abuse and Neglect training at Nairne School in the Dekhang Room on Wednesday 8th April this term, from 9:00am – 10:30am. If you are thinking of becoming a volunteer or already a volunteer, please try to attend this presentation. All participants will receive a certificate of attendance.

**Sports Day Fundraising Cake & Coffee Stall**

Continuing the tradition from last year, we have a great cake and coffee stall available during Sports Day on Thursday April 2!

Don’t forget to come and visit the stall and find some great goodies for sale!

We’ve had a great response from the School Community donating cakes to sell, but we still have spots available for volunteers to serve on the stall. Please contact Jean in the front office to book your session - it will be a great day!

Mrs. Rendina’s Minestrone Soup

With some beautiful produce from the garden, along with Harmony Day fast approaching we decided to make a traditional Italian favourite - Minestrone - from a recipe from Mrs. Rendina’s grandparents. With the help of Sally, we were able to harvest some delicious vegetables from the school garden. A small group of children helped to gather tomatoes, potatoes, kale, yellow and green zucchinis and parsley. The next day we began cooking and with the additional help of Caleb’s Mum, Nicole the children helped to chop, dice and cube all the vegetables. We cooked the Minestrone for one hour and enjoyed a yummy lunch together.

“My task was to pour the potatoes into the pot. I mixed the soup. I want the recipe.” Shalia
“I chopped the kale with Tyler. It was fun.” Ostyn
“I had fun doing the stirring and the cutting. I cut the carrot.” Chase
“It tasted yummy with the onion in it. I did the onion but my eyes burnt.” Caleb

See the next page for our yummy Harmony Day vanilla cupcakes!

Room 23 Class Report

We are the Room 23 reporters and it’s our job to write an article for each newsletter.

On Friday we had a Japanese exchange group come to our class. We played a game of t-ball with them. We also made harmony day cards and they signed our cards. We also learnt a bit of Japanese like:

1. Hello konichi-wa
2. Goodbye sayonara
3. Yes hai

The Science Report

Leaky Brains

Brains leak more as you get older and this is how it works: Imagine a blood vessel and a barrier (wall) around it to protect the brain cells from any nasty chemicals in the blood e.g. alcohol. As you get older the wall weakens and lets nasties in to kill brain cells. The first things to be affected are memory cells. And that’s why old people forget; their brains leak.

On the 20th of March 2015 on Harmony Day our Student Voice group ran a cake stall. People from the Nairne School community donated cakes for the stall which was a big success. We raised a total of $377! We would like to thank anybody who helped out by donating cakes.

We also dressed up in orange and cultural dress to help kids understand what Harmony Day is about.

The money we have raised is going towards buying Harmony Day resources. We created a hand print poster and at recess kids could come and put their hands on the poster. On Harmony Day we hung it out the front of the school to let everybody know that “Everyone belongs at Nairne School”.

Our L2LT group had a chat with Natalie from the Courier about what we did for Harmony Day here at Nairne school. She really liked our handprint poster and the slice of cake we gave her. We wanted to share what our school did for Harmony Day.

Room 10 Cooking up a storm again for Harmony Day!

As a class we decided we could assist with the school cake stall for Harmony Day. We had a vote and the children decided on making vanilla cupcakes. We watched a video about how to make them. We followed 7 steps.

1. Mix the butter
2. Add the sugar
3. Add the eggs
4. Add the dry ingredients
5. Slowly add the milk and vanilla
6. Make the icing
7. Decorate

"I put the butter in the bowl. I used the electric mixer." Liam

"My favourite part was the icing. It tastes like really cool sugar." Mark

"I liked decorating with icing and sprinkles." Ashton

"I bought a cupcake that we made at the cake stall." Jessica
Hi! I’m Kieran and I’m the new Pastoral Care Worker (PCW) here at Nairne School. I’ve been in the school for 4 weeks now and I thought it was about time I told you a bit about myself. So here goes... I’m 25 years old and I have lived in the Mt Barker district since I was 7. I went to St Mark’s Primary School and Cornerstone College. My lovely wife, Jasmine, and I have been married for 3 years and our little girl is 10 months old; her name is Sylvie. I love cycling, playing squash, reading, card games and watching cricket. My favourite colour is green and my favourite season is summer. I also work at Magill School as a PCW; I have been there for nearly 5 years. I finished a Social Science degree at Tabor College in 2013 with a youth work major and I am currently studying to complete a Grad. Dip. in Theology. I have worked with children and youth since finishing school in both school and church settings. I have also worked with juvenile offenders through prison ministry programs. I run the youth group at “Glorify”, which is a new church in Mt Barker. I consider it a privilege and an honour to work with children in schools, supporting them to thrive and succeed in some of the most formative years of their lives. It is such a joy to be at Nairne School; I love it already, so thanks for welcoming me!

**Sports Focus**

**Fact Sheet for Parents/Caregivers**

**What is the Sports Vouchers program?**

The Sports Vouchers program is a State Government initiative administered by the Office for Recreation and Sport (ORS). It is an opportunity for primary school age children from Reception to Year 7 to receive a $50 discount off membership fees for participation in a minimum 10 week sports program. The discount cannot be used for equipment purchase or a one-off ‘come and try’ type event.

**Who is eligible?**

- Children who are at Reception to Year 7 age during the 2015 school year
- Children who are residents of South Australia

Note: only one $50 subsidy can be claimed per child per year.

**Who are the providers?**

Incorporated not-for-profit sport clubs and registered businesses affiliated with State/National Sport Organisations are eligible to register for the Sports Vouchers Program. Sport providers will need to demonstrate that they comply with the Children’s Protection Act 1993 and provide a Child Safe Environment. Registered organisations will also be subject to random audits of membership, financial reporting and Child Safe Compliance Statement.

**Which sports will be included?**

The Sports Voucher can be used for fees associated with any sport recognised by the Australian Sports Commission. Organisations for people with disabilities recognised by the Australian Sports Commission are also eligible.

**When will the program start?**

The letters will be sent to schools during weeks 2-4 of Term 1 2015. Sport providers will register to be involved from November 2014. You will be able to claim your $50 subsidy at any time until 31 December 2015.

**What can the $50 be used for?**

Each eligible child can access a $50 voucher which can be redeemed to offset the cost of membership fees for participation in a minimum 10 week sports program. The discount cannot be used for equipment purchase or a one-off ‘come and try’ type event.

**NetSetGo** is an introductory program for netball aimed at children aged from 5 to 10 run by the Onkaparinga Netball Club. NetSetGo incorporates skill activities, minor games and modified matches in a fun and safe environment.

**Starts:** Wednesday 29th April for 10 weeks

**Time:** 4-5pm

**Location:** Balhannah Netball Courts

**Cost:** $50 All participants receive a tshirt, their own netball and certificate and medal for participating.

Email Onkas@hotmail.com for a participation form or contact Jayne on 0410 585 478

Dear Families,

You may have noticed that in the last two newsletters particular reference has been made to linking activities to ‘Outcomes’. These ‘outcomes’ come from our Early Childhood Curriculum—The Early Years Learning Framework or EYLF. The Early Years Learning Framework is what guides our curriculum within the Preschool setting. It focuses on the whole child and includes the importance of family, community, the child’s well-being and the preschool in each child’s development. There are five outcomes with subheadings containing descriptions for each subheading. These help us as teachers to provide a curriculum that enhances and develops each child’s individual characteristics and builds upon their strengths to ideally build life skills in each child. This helps, in turn, to develop children who embrace life itself and who eagerly approach learning experiences with joy and an enthusiasm to want to know more. Play and its benefits in a young child’s learning and development is paramount in the Early Years Learning Framework.

The framework acknowledges the importance of family, particularly in Outcome 2—Children are connected with and contribute to their world, and Outcome 1—Children have a strong sense of identity. It is important for us to provide an environment that is supportive and which embraces the significance of each child’s family in their development at preschool. We have been overwhelmed and very appreciative of the wonderful family support we have had already this term, from fixing toys, completing surveys about your child, attending shared lunches, helping with cooking and generally providing support for us to help our children feel comfortable and supported at preschool. Thank you very much!

Kind regards, Mandy, Irene, Karen, Hazel, Judie & Katie

This year our drama club, which is facilitated by Penny Stanforth and Helen Arbery-Smith, are going all out and putting together the wonderful musical “Annie”. Auditions have been held most lunch times for the past month and the arduous task of selecting students to be in the cast has been excruciatingly difficult for everyone, but very exciting to see the enthusiasm and talents of all students who showed the courage to go through the audition process.

We had 200 students audition for a total of 62 parts in the play! A big thank you must go to all those who auditioned but missed out on securing a part in this year’s production. We are very proud that you all had a go and we will endeavour to provide more opportunities for students to participate in our arts programs in the future. There are some students who are on the reserve list should a selected student be unable to continue in the show for any reason.

Congratulations to those students who were selected for a part. The hard work, commitment and fun is about to begin. It is a long process to put together a drama production, students and staff will be spending a great deal of their own time making sure the production is a success and showcasing another facet of the excellent achievements of students at Nairne School.

I myself cannot wait for opening night already, which will be in late September!
